The *Club* explained: How does it work?

The club will have 1 or more activities every week of the year. Example:

The year has 52 weeks.

A. | *At least 2 weeks per month the club will have Plastic Surgery educational activities Free for the members (Yes, they will be the best SAPS training courses at no extra cost anymore).*

Explained Better: The first week and last week of the month, 1 or more well-known world wide Plastic Surgeons (Professors) will come to the club to teach in full all their knowledge. Yes it's like a permanent Ultimate Surgical Training Club.

They will give lectures at the club and will do live surgeries at our endorsed surgical centers. Yes the members will have the full immersion experience, at the operating room if they want or lively transmitted to the club conference center, your own room Tv or in the SAPS Tv App if you can't make it in person.

Yesss! the members of the club will have all the courses for them even if they can't make it in person.

B. | *The other 2 weeks of the month we will have many other activities as a concept club.*

Explained Better: The club will be open all year round and the other 2 weeks of the month you and your family can come to the club to stay, eat well, disconnect, relax, enjoy, exercise, do some sports, detox and learn other things that the club will prepare for their members apart from surgery (*you can also do this during the academic weeks if you want*). You can come and stay for short or longer periods to enjoy as much as you can.

C. | *All year round permanent training on industry developments.*

Explained Better: The Club Has an Open Sky permanent and temporary Market and training areas for the surgeons. Our members can come to our club at any time to learn and train on the latest medical advances that the industry has to offer, for free!. We will make sure to have only the best of the best. We already have some confirmed.

D. | *All Seasons Camps, activities and events for you and your family:*
